

bfl::any::any::type

```
graph LR; A[bfl::any::any::type] --> B[bfl::any::any::placeholder::type]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'bfl::any::any::type'. The right box is white with a black border and contains the text 'bfl::any::any::placeholder::type' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
